

# Aditya Dental College

📍 Beed, Maharashtra, 2006

---

## About

Established in 2006, Aditya Dental College, Beed, is recognised as one of the leading dental institutions in Maharashtra as well as India. The college features modern infrastructure spread across a spacious 7-acre campus. It is a co-educational affiliated institution approved by the Dental Council of India (DCI), New Delhi, and affiliated with Dr. Babasaheb Ambedkar Marathwada University. The institute has a total student intake of 382 and a faculty strength of 165 members.

The college is committed to providing a comfortable and student-friendly learning environment with a wide range of modern facilities. The campus offers separate hostel accommodations for boys and girls, with the boys' hostel accommodating 120 students and the girls' hostel having a capacity of 900 students. Both hostels are equipped with modern amenities, including STD facilities, study rooms, and canteen services.

The college library houses over 2,000 updated edition books along with journals, magazines, and newspapers. It also provides internet access and xerox facilities for academic support. In addition, the institution has a well-equipped computer laboratory featuring 24/7 high-speed internet connectivity, multimedia resources, and Microsoft Office applications for students pursuing dental education.

For recreation and fitness, Aditya Dental College provides indoor and outdoor sports facilities along with a fully equipped gymnasium. The campus also includes a cafeteria operating on a no-profit, no-loss basis to ensure students receive hygienic and quality food at affordable

Aditya Dental College offers , all full-time programmes. BDS has an approved intake of 100 seats at the UG level, and at the PG level, it offers four MDS programmes: Orthodontics,

All speciality programmes have a limited intake of only 2 to 3 seats each, ensuring focused training and personalised learning for students. The total approved intake across all courses is 110 seats, reflecting the college's commitment to maintaining a healthy student-faculty ratio and delivering quality dental education.

Degree Name	Total Number of Seats
BDS	100
MDS	10

Admissions at Aditya Dental College are primarily based on national-level entrance examinations. For admission to the BDS programme, candidates are selected through the National Eligibility cum Entrance Test (NEET) Similarly, admission to the MDS programmes is granted on the basis of candidates' performance in the National Eligibility cum Entrance Test for MDS (NEET MDS). These entrance examinations ensure a transparent and competitive admission process, attracting students from across the country
