

Hamdard Institute of Medical Sciences & Research

📍 New Delhi, Delhi, 2012

About

Hamdard Institute of Medical Sciences & Research (HIMSR) is a premier medical college located in New Delhi and is a constituent institution of Jamia Hamdard. Established in 2012, the institute was founded with the vision of providing high-quality medical education, clinical training, and affordable healthcare services. HIMSR is recognized by the National Medical Commission (NMC) and is supported by the 710+ bedded Hakeem Abdul Hameed Centenary Hospital (HAHC Hospital), which offers extensive clinical exposure to students.

The institute offers MBBS, MD, and MS programs across various medical specialties. With modern laboratories, advanced medical equipment, experienced faculty, and a patient-centered teaching approach, HIMSR has emerged as one of the leading private medical institutions in Delhi. The college emphasizes clinical training, medical research, community healthcare, and academic excellence.

Students benefit from state-of-the-art infrastructure, digital libraries, simulation laboratories, research facilities, separate hostels, and a multi-specialty teaching hospital. The institute focuses on developing competent healthcare professionals through a blend of theoretical knowledge, practical training
